This hearing aid will not restore normal hearing nor will it prevent further hearing loss.

I am over the age of 18 and have been advised by HearUSA that the Food and Drug Administration has determined that my best health interest would be served if I had a medical evaluation by a licensed physician (preferably one who specializes in diseases of the ear), before purchasing a hearing aid. I do not wish a medical evaluation before purchasing a hearing aid.

**INSURANCE**

HearUSA cannot guarantee your benefits or eligibility with your insurance plan. Your insurance plan is a contract between you and your insurance company.

Upon completion of our Patient Information Form and your assignment of benefits, HearUSA will extend the benefit offered by your insurance company and file for reimbursement. HearUSA will handle all of the paperwork for you. All payments for services not covered by your insurance plan are expected at time of visit.

If your insurance company pays only a portion of the bill or denies the claim, an explanation should be made to you, their policyholder. Reduction or rejection of your claim by your insurance company does not relieve you of the financial obligation. HearUSA will notify you if this occurs and request payment in full.
